# INSIGHT

Find out more about our business and services by calling Frequency Distribution today...

## Norwich gets **BIGGER**

**The continuing success of our Norwich Depot has seen us become East Anglia's largest Distributor to the TV and Satellite Trade.**

To ensure that we continue to meet increasing demand and variety, as of 1st September we will be relocating to new premises. Whilst only 50 metres from our current location in Zobel Close, we have secured Units 2 & 3 in Naylor Road, still on the Sweetbriar Industrial Estate.

### The benefits of this move include

- ▶ Increased number of locally stocked lines
- ▶ Higher stock levels of existing ranges
- ▶ New improved Trade Counter area

We would welcome the opportunity to show you our new facility. However, for those of you that are unable to call in, you'll be pleased to know that our famous 'go-that-extra-mile' van delivery service will continue to operate.

This is an exciting new era for us and we thank you all for your help and support in establishing us as a trusted partner to your business.
